

Applying Multiple Package Dimensions - Proposals

Step 1 : Click **Submit new Products**

A screenshot of a web form titled "Select A Connection". At the top, there is a photograph of a garden with various plants and a sign that says "P1". Below the photo, the text "Retailer Name" is displayed in a large, bold font. Underneath, there are four buttons: "Submit New Products" (highlighted with a red border), "Submit Cost Updates (coming soon)", "Submit Attribute Updates (coming soon)", and "Review Submissions".

Step 2 : *Review Merchandising Overview* - Click **Let's Get Started!** at the bottom of the page

A single button with a teal background and white text that reads "Let's Get Started!". The button is outlined with a thin red border.

Step 3 : Select the correct Department for the products

Getting Started

Please complete the form below so that we can determine which tasks you must complete in order to submit your products to Retailer Name .

A dropdown menu with a white background and a red border. The text "Select Product Department *" is at the top left. Below it, the text "Department Name|" is visible, followed by a small upward-pointing triangle icon on the right side.

Step 4 : Click "Yes, some items require multiple cartons to ship a single quantity" - Click **Save & Review Tasks**

Getting Started

Please complete the form below so that we can determine which tasks you must complete in order to submit your products to Retailer Name .

Select Product Department *

Department Name|
